UNIVERSITY RECORDS & INFORMATION MANAGEMENT

## Agenda – Retention Schedule

- Why Certify
- Certifications
- Where to go for help

# Why Certify

- Improve your skills and knowledge
- Demonstrate your skills to your organization
- Meet department goals obtain a certification
- A key to new opportunities for career advancement
- Improve your earning potential higher salaries
- And....
- An opportunity to order new business cards

## **Certification vs Certificate**

- Certification:
  - Professional certification programs document a specific level of professional knowledge and experience based on established competencies.
  - Candidates must successfully complete an exam and may have to demonstrate specific skill sets.
  - Many certification programs also require continuing education in order to maintain the certification.

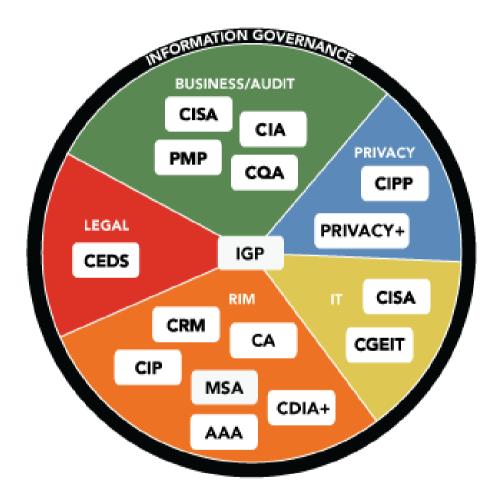

## **Certification vs Certificate**

- Certificate:
  - It is very common for educational programs, conferences and seminars to provide attendees with a certificate of attendance or completion.
  - Such certificates identify the title and dates of the course(s) taken and the sponsoring organizations.
